A Message from the Principal

Dear Families,

Thank you to everybody who recently supported the ANZAC Day appeal by buying poppies or pins from the ANZAC Box that was located in the school foyer. As a school we raised $184.25 for the RSL.

Planning Week: This week, all of our teaching teams are involved in their term planning days. Each team is released for a complete day to work with their peers to plan the curriculum for the following term. This ensures there is consistency of delivery of topics across the grades within the one unit, whilst also allowing staff to discuss individual students and/or groups of students to target their focussed teaching. Most schools in our area do not provide such time for their staff, or alternatively expect them to then do it after school. We believe this is vitally important time, which then results in a planned and well organised approach to the following term across all grades.

Visit to Ocean Grove Primary School: On Monday, Mrs Woods, Mrs Andrew and I visited Ocean Grove Primary School as part of our BASTOW “Leading Numeracy” course. It is valuable professional learning to visit another school and look at how they implement their Numeracy Program. The visit confirmed the great work our staff are doing as regards their planning and delivering Numeracy teaching and learning. A major part of the day involved shadowing a student and discussing with him/her what he/she was doing, how he/she was doing it and what he/she was thinking as he/she completed their task. These conversations were then fed back to the class teacher so that they could learn more about the students in their classroom. This formed the basis for reflecting on the goals of the school and the consistent messages back from students on their learning. At Wandong Primary School, we regularly observe another teacher’s practice and give feedback on what they are doing and saying to students. We are yet to observe students as such. This is something we will now discuss as a school for the future.

Movie Night: The count-down has begun with only two more sleeps until our SRC movie night. Yesterday, I picked up the lollies donated by Nestle and purchased the drinks for the night. We will be selling cans of soft drink, pop tops and bottles of water. On Friday, we will be assisted by parents to pre-pop some tubs of popcorn, ensuring we are well stocked for the night. SRC will assist with bagging the lollies and helping on the canteen stall on the night. Grades 3-6 SRC members are asked to arrive at the movie night a little earlier if possible (say around 5:30 p.m.) with Foundation-Grade 2 SRC able to arrive from 6:00 p.m. onwards. We hope to do lots of sales prior to the movie starting at 7:00 to minimise interruptions during the movie. Remember to come rugged up!

Excursions and outings: Over the coming week, we have a few excursions organised – grade six student leadership team to Wallan PS, grade four and five students to Wallan Secondary for a “Secondary Taster day” and a Foundation excursion to Bendigo. Thank you to the parents who have offered to assist on these outings. We greatly appreciate your support.

School Jackets: Have you seen our new school jackets? They certainly keep out the cold. Jackets ranging in sizes from 4 to 16 are now available to view/purchase from the office.

Have a great week and stay warm, Rhonda Cole

**PARENT PAYMENTS RECEIVED**

227 families at WPS.
136 Completed payments

\[ \text{\%} \text{ Complete} = \frac{136}{227} \times 100 = 60\% \]

---

**Have you recently asked your child/ren......**

“**What did you learn today?”**

At the moment we have staff moving between the services to get to know the children ready for Holiday Programs.

We hope you have met Hanna who joined us a few weeks ago.

We would also like to introduce our new staff member Christie who is working at Kilmore.

Thank you

Karyn Homewood

WINTER JACKETS

The school has been able to source a navy Winter Jacket from our uniform supplier for these cold winter days.

Features of the jacket include:

- Water proof nylon
- Polar Fleece lining
- Concealed embroidery zip
- Storm front flap
- Concealed hood with draw cord
- Two external patch pockets with velcro flap
- Hand warmer pockets

The jackets are $40 each.

Sizes ranging from 4 to 16 are available to purchase from the office.

ILLNESS AT SCHOOL

Please contact the office if your child is diagnosed with any contagious/infectious diseases so that we may inform the parents of students with low immunity.

PARENTS OF STUDENTS IN 1/2C

Fundraising chocolates are being delivered this Friday. As 1/2C Student Led Conferences will not be held until after the school holidays, we ask that parents of students in 1/2C please come to the school office next week to collect and sign for a box of fundraising chocolates to sell during the holidays.

Pokémon Club

When: Every Thursday @ 1:45pm
Where: Art Room
Who: Open to all students
Foundation to grade 6
It is OK if you don’t have Pokémon cards...you can still come along as we have some spare cards you can use!

**Family Movie Night!**

The SRC are organising a night of movie magic in our hall.

Come and join us to watch

**Dunston Checks In**

19th June 2015 - 7:00 p.m. start

Entry is a gold coin donation

There will be popcorn, lollies and soft drinks for sale.

Help support our SRC students with their fundraising.

Comfortable seating is a must, so please bring your pillow, bean bag or foldup chair.

The hall will be open from 6:15pm onwards

There will be no pass outs and parents must stay to supervise their children.

We hope to see you there!
We have been busy mathematicians in 1/2V! This term our non-number focus in 1/2 has been chance and data. Students have created pictographs and tallies to sort and record the number and colour of jelly beans and put a list of animals into groups. Last week the students came up with their own survey question and collected data from their peers. The collected data was put into the graph, where the children wrote some short sentences, detailing which group had the most and which group had the least.

Student Wellbeing @ Wandong

Wow...what an action packed year we have had so far! We have a lot of things happening to support our students to be happy and safe. These include, Friendship, Resilience, 'Ninja' and 'Kool Clam Groups', Lunchtime Clubs Program and Big Brother/Sister groups.

Mrs Smith & Toni Vicary - Student Wellbeing Team
Our SEL (Social & Emotional Learning) focus is.....

BOUNCE BACK

B - Bad times don’t last. Things always get better. Stay optimistic.
O - Other people can help if you talk to them. Get a reality check.
U - Unhelpful thinking makes you feel more upset. Think again.
N - Nobody is perfect - not you and not others.
C - Concentrate on the positives (no matter how small) and use laughter.
E - Everybody experiences sadness, hurt, failure, rejection and setbacks sometimes, not just you. They’re normal, don’t personalize them.

Foundation to grade two students are learning to BOUNCE.

Grade three to six students are learning to BOUNCE BACK.

FALL SEVEN TIMES STAND UP EIGHT.
